Dear friends and colleagues,

As we gather here once again, it's truly astonishing how swiftly another year has passed. We find ourselves confronted with fresh challenges and new conflicts that shape our daily lives, yet our commitment to providing the highest quality care to our patients and staying abreast of the latest developments remains unwavering.

With this unwavering dedication in mind, we are thrilled to host this year's meeting and extend a warm invitation to all of you. Over the course of this weekend, we will engage in updates and debates spanning a wide spectrum of subjects within our specialty. One of the hallmarks of our meeting, as noted by many, is the diverse range of topics covered, reflecting the dynamic nature of our field.

For numerous years, this gathering has held a prominent position in our organization's calendar. It is a source of immense pride for us when we hear from past participants who hold this event in the same high regard.

We warmly welcome you to this year's meeting and eagerly anticipate another stimulating and enriching interaction. Together, we will continue to share our wealth of knowledge, exchange innovative ideas, and relish each other's company in a relaxed and congenial social program.

Our deepest gratitude goes out to each and every one of you for attending this event. We extend a special appreciation to our esteemed speakers, whose expertise and contributions are the bedrock of this meeting. Without their dedication, this gathering would not be possible.

As we embark on this weekend of learning, collaboration, and camaraderie, let us reaffirm our shared commitment to advancing our field and, most importantly, to delivering the best possible care to our patients.

Thank you for being a part of this extraordinary community, and we look forward to a rewarding and memorable meeting.

Warm regards,

Theo Potamitis
